LEARN MORE ABOUT

- Are you complying with the rules and regulations set forth by the U.S. government when you export?
- Do you know how to determine the country of origin of your products?
- Would you like to save on duties and taxes for the goods you export?
- Do you know how to export sample items or handle warranties and repairs for products already exported?
- What is Successor Liability and how does it affect you?

Learn the answers to these questions and more at this half day seminar focused on export compliance and the Foreign Corrupt Practices Act.
